Re: Main Building E. R. Entrance Revolving Door  
FDC #03-143

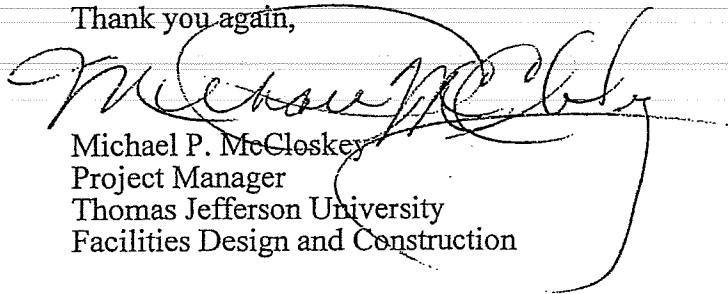

Dear Mr. White:

Now that the Main Building Entrance Door project is complete, I want to thank you, James Gallagher (Project Manager) and Steve Love (Project Superintendent) who worked so hard on this project and helped to make the Main Building Revolving Door project a success.

I really appreciate the assistance, expertise and patience your staff provided.

It was a pleasure working with everyone, and I look forward to working with you and your team in the future.

Thank you again,

Michael P. McCloskey  
Project Manager  
Thomas Jefferson University  
Facilities Design and Construction
